Personal Information

Candidate id	1313
Name	Heber Alberto Diaz Matos
Date of Birth	1979-02-06
Salary (in USD)	7500/
Industry	Drilling / Rig
Sub Industry	
Nationality	Cuba
Primary Language	English,
Secondary Language	
Total Years of Experience	18

Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Experienced Senior Drilling Supervisor with a distinguished 18-year career in a major oil and gas operator, overseeing and implementing cutting-edge technologies and operational procedures. Demonstrates a strong understanding of the latest advancements and best practices for Extended Reach Wells (ERW) spanning depths of 15,000 to over 25,000 feet MD and Directional Difficulty Index (DDI) over 6, including those with high-pressure/high-temperature (HPHT) challenges and H2S environments. By mitigating risks, minimizing Non-Productive Time, and leveraging strong leadership with sharp situational awareness and decisive decision-making skills, I transform drilling operations into efficient and safe endeavors, consistently delivering projects on budget and time. Skilled in utilizing high-tech drilling rigs, including 3000 hp models, to meet different challenges with new technologies, improving both operational and safety aspects. Expertise in optimizing BHA design, bit hydraulics, and drilling parameters for drilling projects, optimizing wellbore planning for superior hole quality and drilling efficiency while ensuring technical integrity and quality assurance to the drill string components. Ability in mud management, including high mud weight systems up to 20ppg, ensures wellbore stability, minimizing drag, stuck pipe, and formation collapse

Risk Management, Regulatory Compliance, Problem Solving, Data Analysis, Technological Proficiency, Cost Management, Software Proficiency. Communication, Leadership, Decision-Making, Situational Awareness, Teamwork, Conflict Resolution, etc. H2S, IWFC, etc
