## Additional Information

Roles and Responsibilities	Additional Skills/Certification
I have over 7 years of diverse medical experience, excelling in roles requiring emergency response, patient care, and team collaboration in remote and resource-limited environments. As a Site Medical Officer for International SOS in Tuvalu, I independently managed a clinic without air medical transport, conducted risk assessments, delivered health education, and advised on crew nutrition. My role as Medical Doctor aboard the Eagle Explorer involved 24/7 emergency support, comprehensive occupational health training, and maintaining medical equipment for optimal efficiency. In prior positions, I have led mental health initiatives, implemented COVID-19 prevention protocols, and conducted safety drills. My responsibilities often included managing medical supplies, ensuring compliance with health and safety standards, and providing effective healthcare solutions in maritime, offshore, and clinical settings. I excel at balancing patient care with administrative tasks to maintain the highest professional standards.	BLS, ACLS, ATLS, NEBOSH in Occupational and Environmental Safety; skilled in resuscitation, trauma care, infection control; proficient in medical devices, electronic records, and multilingual communication (English, Hindi, Malayalam, Tamil, Vietnamese).
