----------------------------	---------------------------------

Mechanical Engineer with over 6 years of experience in the oil and gas industry, specializing in the management, operation, and maintenance of drilling rigs. Proven track record in improving operational efficiency by 20%, reducing downtime by 15%, and ensuring compliance with industry safety standards. Adept at leading cross-functional teams and driving projects to successful completion within budget and on time. Seeking to leverage my expertise to contribute to a dynamic organization aiming for sustainable growth. Danfodio Petroleum Services (DPS) | March 1, 2018 – Present

- Improved Efficiency: Enhanced drilling operations efficiency by 20% through the implementation of advanced maintenance procedures and real-time data analysis.
- Maintenance Management: Spearheaded the preventive maintenance program, reducing equipment downtime by 15% and extending the lifespan of critical machinery by 10%.
- Team Leadership: Supervised a team of 10+ drilling crew members, ensuring safe and efficient operations in compliance with industry standards.
- Operational Oversight: Managed daily rig operations, overseeing the safe extraction of oil and gas from multiple wells, resulting in a 12% increase in output.

- Bachelor's Degree in Mechanical Engineering
- Diploma in Engineering Project Management
- IADC Wellsharp
- Diesel Engine: Operation & Maintenance
