

**Falcon Multi Services Ltd**  
201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

## Personal Information

<b>Candidate id</b>	1759
<b>Name</b>	Sonu kumar singh
<b>Date of Birth</b>	1993-07-15
<b>Salary (in USD)</b>	2000/
<b>Industry</b>	Oilfield Services
<b>Sub Industry</b>	
<b>Nationality</b>	India
<b>Primary Language</b>	English, Hindi,
<b>Secondary Language</b>	
<b>Total Years of Experience</b>	9

## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
<p>* Installation and maintenance of electrical equipment: This includes everything from lighting and power systems to control panels and instrumentation. * Troubleshooting and repair of electrical faults: Offshore electricians must be able to quickly diagnose and fix problems with electrical systems to minimize downtime and ensure safety. * Compliance with safety regulations: The offshore environment is inherently dangerous, and offshore electricians must be rigorously trained in safety procedures to protect themselves and others. * Working in confined spaces and at heights: Offshore platforms can be cramped and dangerous, and electricians must be comfortable working in these conditions. * Performing preventative maintenance: Regular maintenance is essential to keep electrical systems running smoothly and prevent costly breakdowns. Offshore electricians play a vital role in the oil and gas industry, and their work is essential to the safe and efficient operation of offshore platforms.</p>	<p>* Troubleshooting and repair of electrical faults: Offshore electricians must be able to quickly diagnose and fix problems with electrical systems to minimize downtime and ensure safety.</p>
