With over 27 years of offshore drilling experience, including extensive expertise as a Toolpusher and Night Toolpusher on advanced cyber rigs, I am confident in my ability to contribute to your team's success. Throughout my career, I have demonstrated a strong ability to lead teams, optimize operations, and ensure safety and efficiency in high-pressure environments. My experience spans a wide range of rigs, from manual Kelly to state-of-the-art cyber rigs, and I have consistently been recognized by both Rig Managers and Clients for my ability to foster a positive and disciplined working environment. Some highlights of my qualifications include: - Leadership: Successfully supervised rig departments, conducted safety meetings, and trained crew members to ensure compliance with QHSE standards. - Operational Excellence: Planned and executed complex drilling operations, including HPHT drilling, well construction optimization, and rig start-up operations. - Technical Expertise: Proficient in operating and maintaining advanced drilling equipment, including Amphion systems, NOV cyber-based systems, TTS sense cyber rigs, and various top drives and drawworks. - Client Collaboration: Worked closely with clients to prepare for operations, ensuring alignment with project goals and timelines. I am eager to bring my skills and experience to your team and contribute to the continued success of your operations. I would welcome the opportunity to discuss how my background aligns with your needs. Please feel free to contact me at +385 95 866 5503 or denis7563@yahoo.com to schedule a conversation. Thank you for considering my application. I look forward to the possibility of contributing to your Company's success.
