## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
Currently, I am employed with Helmerich & Payne, a leading U.S. drilling contractor, where I serve as a Remote Operations Engineer. Over the past one and a half years, I have gained practical experience in directional drilling, MWD survey management, and data analysis, all of which have strengthened my technical and problem-solving skills in a high-pressure environment. With a Bachelor's degree in Mechanical Engineering and hands-on experience in oilfield operations, I am confident in my ability to contribute effectively to your team. I have good communication skills and can work very effectively in a team. I am highly motivated, adaptable, and ready to learn and grow within a dynamic field team. I would welcome the opportunity to discuss how my qualifications and enthusiasm align with your company's goals. Please find my resume and certifications attached for your review.	In addition to my academic and professional background, I have completed the OPITO-approved BOSIET/HUET with EBS training and hold an IWCF Level 1 certification. I also possess a valid OGUK medical certificate
