Additional Information

Roles and Responsibilities	Additional Skills/Certification
Floorhand, Roughneck Offshore, Lead Roughneck Offshore, Solid Control Engineer. Three and a half years of offshore drilling experience, on the drill floor. I started my offshore career in Gulf of Mexico, on a 7th Generation drillship, Santorini, then I expanded my horizon with different offshore rigs, fixed, jack-ups, drillships. Main responsibilities on the drill floor as a roughneck, taking care of the equipment, preparing tools and equipment for operations in advance, giving tasks to my team, ensure that everyone understood their role and jobs, but the most important thing, was safety of my colleagues and myself, I made sure everyone was following Safety rules and regulations so we can go back home to our families safe and sound. Daily equipment checks, daily blowout drills, training and making sure everything is prepared for operations.	FOET CA-EBS IMIST OGUK Medical Seaman's book OCS B1 USA Visa IWCF Level 1
