Roles and Responsibilities	Additional Skills/Certification
Im excited to apply for the Roustabout role, leveraging my NDT Level 2 certification and mechanical engineering background. With expertise in non-destructive testing techniques, I'm confident in my ability to support maintenance activities, troubleshoot equipment problems, and ensure safety protocols are followed. As a fresher mechanical engineer, I'm eager to apply my skills and knowledge in a dynamic environment. My NDT certification demonstrates my ability to inspect equipment, detect defects, and contribute to equipment safety and reliability. I'm excited to work closely with senior technicians and engineers to identify potential issues and implement solutions. My analytical skills will enable me to interpret NDT results and identify potential problems. Thank you for considering my application. I'm confident that my NDT Level 2 certification and mechanical engineering background make me a strong fit for this rolr	ASNT NDT LEVEL 2 Certification Problem solving Critical thinking QA/QC
