## Additional Information

| <b>Roles and Responsibilities</b>   | <b>Additional Skills/Certification</b>  |
|---|---|
| As an Assistant Driller on an offshore rig, my primary responsibility is to ensure the safe and efficient operation of drilling activities. I am accountable for managing the Permit to Work (PTW) system, which authorizes and monitors work activities to guarantee a secure working environment. My key duties include: - Preparing kill sheets to monitor pressure and fluid volumes during drilling operations - Setting up standpipe and Christmas tree configurations to facilitate drilling fluid circulation - Managing mud pump and mud pit lineups to ensure proper fluid delivery - Installing choke manifolds and kill lines to regulate wellhead pressure - Measuring and inspecting Bottom Hole Assemblies (BHAs) to assess drill bit and associated equipment condition In addition to these responsibilities, I am committed to maintaining rig safety and integrity. I work in accordance with PTW procedures and adhere to rig safety protocols to guarantee a secure working environment. | Certification: Tool safety program Theory of wash pipe and packing operations Instruction in Amphion cyber chain ARO control of work performing authority |

## Education Summary

| Course          | University      | Passing Year | Country  |
|-----------------|-----------------|--------------|----------|
| Pre engineering | Private college | 1986         | Pakistan |
