Additional Information

Roles and Responsibilities	Additional Skills/Certification
As a Drilling Engineer at CNPC CCDC for four years, I have developed expertise in drilling program optimization, well control, and geological interpretation. This is complemented by my experience as a Mud Logger/MWD Engineer, focused on real-time data analysis, and my earlier experience as a trainee driller, where I operated the drilling brake on a 2000HP VFD rig. This combination of operational and technical experience makes me a highly adaptable and effective candidate.
