Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>I have successfully executed daily Project meetings with all rig supervisors to ensure smooth and non-interruptive project execution for Land Rigs. Additionally, I have spearheaded planning and execution efforts for required assets, items, and critical spares in accordance with contractual and operational requirements for Drilling Rig refurbishment and upgrade projects, ensuring seamless commissioning and deployment of rigs. My continuous follow-up with Procurement, PMS, third parties and HSE departments has contributed to maintaining operational efficiency. I hold a Bachelor of Engineering in Mechanical from Gujarat Technological University, graduating in 2018. I am eager to bring my expertise and passion for excellence to your team and contribute to the success of your projects. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your organization.</p>	IWCF Level - 4
