Industry	Drilling / Rig
Sub Industry	Directional Driller
Nationality	India
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	10

Additional Information

Roles and Responsibilities	Additional Skills/Certification
I have been working in the Oil & Gas Industry since 2015 and as a Tool Pusher since September 2017. From May 2018 to April 2023, I have worked in two rigs simultaneously, rarely taking any leave. As a Petroleum Engineer I was very interested in the areas such as Completions, workover, well stimulation, well intervention, fishing operations, well activation & testing, etc. Over the years I have gained good experience of all the above mentioned operations. Also, I have good experience of commissioning new rigs. In my career, I have commissioned BOMCO & KERUI rigs. During commissioning, I took care of all the client requirements for acceptance of the rigs as well as make additional provisions in the rig systems to make operations and inter location movement easier. I am currently working as a Rig Manager in Sun Drilling, Action Energy Co., Kuwait.	Completions, workover, well control, well stimulation, well intervention, fishing operations, well activation & testing, etc.

Education Summary

Course	University	Passing Year	Country
B. Tech. Petroleum Engineering	Dibrugarh University	2015	India

Career Summary

Position	Employer	Country	From	To
Rig Manager	Action Energy Co., Kuwait.	Kuwait	11/2024	05/2025
