Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Dear Hiring Manager, I am writing to express my interest in the Roustabout position within your rig operations team. With a background in Petroleum and Gas Engineering, physical endurance, and certified safety training, I am confident in my ability to support the rig crew with hands-on efficiency, safety, and discipline. My engineering degree provided me with core knowledge of drilling systems, tubular connections, and rig floor operations. During my academic and professional journey, I have handled equipment relevant to oilfield environments, including core sample preparation, viscosity analysis, and pressure control testing. More importantly, I am physically fit, able to lift over 75 lbs, and mentally prepared for the rigorous and demanding conditions of floor work. I hold several key safety certifications, including: OSHA 30-Hour General Industry IOSH Managing Safely IWCF Level 1 I fully understand the importance of following procedures and maintaining a safety-first mindset. I am confident in operating manual tongs and slips, assisting in rig maintenance, and supporting the crew in all drilling operations. Additionally, I am fully prepared to undergo all assessments and training required by your team. Joining your rig crew would be a great opportunity to apply my knowledge while learning from experienced professionals in the field. I am ready to contribute immediately and am committed to long-term growth in the oil and gas industry. Thank you for considering my application. I look forward to the opportunity to speak further about how I can support your operations as a Floorhand. Sincerely,
Muhammad Osama Khan
