----------------------------	---------------------------------

My name is Vladyslav Shyshko, and I am currently working as a Motorman in the merchant fleet. Over the course of my career, I have gained solid experience in maintaining and repairing ship machinery, including engines, pumps, generators, and other auxiliary systems. I am skilled in identifying technical issues and resolving them promptly and efficiently. I strictly follow safety regulations and place great importance on the reliable operation of equipment, as it directly affects the safety of the vessel and crew. My responsibilities include performing regular inspections, assisting with maintenance tasks, and collaborating closely with the engineering team to ensure smooth engine room operations. I hold valid certifications for the position of Third Engineer and am highly motivated to grow professionally and advance to the role of Engineer. I am eager to develop my skills further and transition into the offshore fleet, embracing new technologies and continuously improving in my profession. Thank you for your attention! I welcome new connections and opportunities.
