

FALCON®
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	3516
Name	Baqir Ali
Date of Birth	1990-08-07
Salary (in USD)	9000/Per Month
Industry	Drilling / Rig
Sub Industry	Toolpusher
Nationality	Pakistan
Primary Language	English,
Secondary Language	Arabic,
Total Years of Experience	13

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

? Enhanced operational KPIs by 20 percent through driving performance efficiencies. ? Reduced flat time by analyzing flat time operations (primarily BOP/X-Mas Tree Nipple Up/Down, Pick-Up/Lay-down Tubulars) and introducing engineering and process efficiency to reduce these times while following HSE protocols. ? Maintain client satisfaction regarding contract operations. Ensure all conflicts are resolved amicably on priority basis. ? Maintain close communication and engagement with operation engineers for streamlined operations. ? Ensure inspection/maintenance plans can be implemented with minimum flat-times by engaging rig teams and operation look-ahead. ? Understanding of API recommendations regarding rig equipment and procedures e.g., API RP 4G, 16A, C, RP 8B, RP 53 etc. ? Proactive equipment/Inventory management and process efficiencies not only contributed to budgetary savings but also enhanced operational reliability across projects. ? Lead fact-finding missions and investigations using ICAM/RCA. ? Facilitated various audits including corporate audit, well control audits, Gap Audits in addition to other general Rig Safety Inspection audits. ? Have given multiple training courses to contractors regarding well control equipment & procedures ? Commissioned a rig for a new project. ? Mentored a fresh team into an operationally sound and HSE aware unit. ? Worked on oil work-over projects (well clean-out, recompletion, stimulation, side-entry) ? Reduced the overall NPT by mentoring and improved planning with technical support to the rig team. ? Continuous improvement in process safety by ? Developing new and improving existing SOPs and training personnel. ? Emergency Response Planning/Preparation/Drills. ? Maintenance/Inspection of equipment to have them performing as expected

IWCF Level 4

Education Summary

Course	University	Passing Year	Country
Bachelor in Mechatronic Engineering	National University of Science and Technology	2012	Pakistan

Career Summary

Position	Employer	Country	From	To
Rig Supt	Daqing Saudi Arabia	Saudi Arabia	09/2019	08/2025
