201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	3780
Name	Gubbala Sunil Raj
Date of Birth	1995-08-08
Salary (in USD)	1000/Per Month
Industry	Drilling / Rig
Sub Industry	Roustabout
Nationality	India
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	9

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

<p>• Preventive and Corrective Maintenance: Performing scheduled and emergency maintenance on all electrical equipment, including SCR/VFD Drive Systems, MCCs (Motor Control Centers), generators, control panels, and PLC-based systems. • System Diagnostics and Troubleshooting: Rapidly diagnosing and repairing complex electrical faults in mud pump motors, drawworks, top drives, and all auxiliary equipment to minimize Non-Productive Time (NPT). • Power Generation and Distribution: Managing, operating, and maintaining diesel engine generators, ensuring stable power supply and distribution across the rig site, including high-voltage and low-voltage systems. • Rig Up/Down and Commissioning: Supervising and actively participating in the safe and efficient electrical rigging up and down of the rig during mobilization, including the connection and testing of all power cables and control circuits. • Safety and Compliance: Strictly adhering to and enforcing all electrical safety codes, company policies, and international standards (e.g., ATEX/IECEX for hazardous areas), conducting routine safety checks, and ensuring all electrical systems are explosion-proof certified where necessary. • Inventory and Documentation: Maintaining accurate logs of maintenance activities, supervising the inventory of spare parts, and generating reports on equipment performance and power consumption.</p>	<p>My tenure in both drilling and workover environments has provided me with a comprehensive understanding of the varying electrical demands and challenges unique to each operation.</p>
