-----------------------------------	--

I am a motivated Petroleum & Natural Gas Engineering student (Batch 2027) at MUET SZAB Campus, working toward a strong and impactful career in the upstream oil & gas industry. My experience as an Ex-Intern at OGDCL and my leadership role as Treasurer of SPE Chapter 25 have shaped my understanding of real field operations, teamwork, and professional responsibility. Through academic learning and industry exposure, I have built a solid foundation in Reservoir Engineering, Production Engineering, Drilling Engineering, Rock Mechanics, Wellbore Stability, and Petrophysics. I enjoy connecting theory with practice and continuously improving my technical and analytical skills. My interests lie strongly in Production Optimization, Reservoir Monitoring, Drilling Operations, Hydraulic Fracturing, and Well Performance Analysis. I am actively exploring international internship and trainee opportunities across UAE, KSA, Qatar, USA, UK, Australia, and Kuwait, with a goal to gain global experience and contribute to industry-focused engineering projects. I am open to both field and office-based roles where I can learn, support ongoing operations, and grow professionally.

I have certification achievements skills and experience in oil and Gas industry.
