## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

As a Floorman and Roustabout, I performed essential rig floor duties to support safe and efficient drilling operations. My responsibilities included handling drill pipes, collars, and tools during drilling, tripping, and casing operations. I operated tongs, air hoists, and other rig equipment, and supported all rig-up and rig-down activities using proper lifting techniques. I participated in nipple-up and nipple-down procedures for the BOP and monitored mud circulation on the shale shaker to ensure smooth and stable drilling performance. I maintained a clean, organized, and hazard-free rig floor, following all HSE regulations and wearing the required PPE at all times. I assisted in loading and unloading tubulars, placing thread protectors, and preparing equipment for hoisting and storage. I also supported chemical mixing and mud handling tasks, including maintaining the mud hopper and ensuring proper material flow during operations. My role required strong teamwork, communication, and the ability to work under pressure while maintaining attention to detail. I contributed to rig moves, equipment handling, and general housekeeping to keep the work environment safe and efficient. Through consistent performance and a positive attitude, I helped maintain safe operations and supported the crew in achieving smooth daily rig activities.

Skills / Drilling ops, Mud mixing, Slinging, Rig floor & pipe handling, Monkey board, Fluids cycle, Well control, Housekeeping, Material handling.
