Additional Information

Roles and Responsibilities	Additional Skills/Certification
Coiled Tubing Engineer with over 13 years of extensive experience in both onshore and offshore well intervention operations. My expertise encompasses a wide range of services including stimulation, CT logging, fishing, wellbore cleaning, and pressure pumping. As an ADNOC-approved supervisor, I have a proven track record of leading operations safely and efficiently while providing robust technical support to teams and clients also playing important role in my company startup new venture in Abu Dhabi. I am skilled in pre-job planning, design, risk assessment, and ensuring strict compliance with HSSE standards. As wellsite Supervisor I have the opportunity to manage flow to clean operations without having problems with simultaneous operations. Executed mixed and long duration testing operations.	Well Intervention Data Acquisition CT Logging Welbore Clean out H2S Fire Fighting First Aid
