Additional Information

Roles and Responsibilities	Additional Skills/Certification
, Johairi Johor,I would like to apply for the vacant coil tubing operator position. My working experience in the Oil & Gas Industry is almost 19 years. Humbly starting from the bottom as CTU Service Operator Assistant until currently as Pumping and CTU OPERATOR. During these 19 years, I had working experience working offshore and onshore for Coiled Tubing with various PACs in Malaysia and outside Malaysia. For more detail please refer to my resume and supporting document attached. My strength is my knowledge in mechanical such as diesel engine and inter-personal relationship, high safety minded and delivering high quality product/services.My role now is coil tubing operator,control for runing in and runing out of coiled tubing to monitor coil tension and control all movement and responsibility for perform job follow by job program. Thank you for your time and Consideration. I look forward to hearing from you.	Iwcf level 4
