<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
<p>I am a Diploma holder in Electrical Engineering with over 28 years of experience in Electrical Maintenance, Construction, Pre-Commissioning, and Commissioning activities in the Oil &amp; Gas offshore and onshore sector. I have extensive hands-on experience in electrical installations, testing, loop checking, energization, troubleshooting, and commissioning of LV/MV systems, switchgear, MCCs, transformers, motors, UPS, generators, and hazardous area equipment. I am CompEx certified and well experienced in working in classified areas in compliance with HSE, PTW, and international electrical standards. I have worked with reputed Oil &amp; Gas companies including SPIE Oil &amp; Gas and NOC-A offshore projects, contributing effectively to greenfield and brownfield projects, shutdowns, and project completion activities. I am a committed team player with strong safety awareness and the ability to work under pressure in offshore environments. I would welcome the opportunity to contribute my skills and experience to your organization. I am available immediately and willing to relocate or work offshore as required.</p>	<p>Compex Certificate Habilitation level 2</p>
