I am writing to express my strong interest in the position of Offshore Mechanical Technician as advertised. With a background in mechanical maintenance and a solid understanding of offshore safety and operations, I am confident in my ability to contribute effectively to your team. I have 15+ years of experience as a Mechanical Technician, working on the maintenance, repair, and troubleshooting of rotating and static equipment such as pumps, compressors, Turbine, Diesel engine, power generator, Blower, finfan, Gearbox, valves, PSV and piping systems. My hands-on approach, combined with knowledge of industry best practices and preventive maintenance programs, has ensured equipment reliability and operational efficiency in demanding environments. I am familiar with offshore safety procedures, permit-to-work systems, and risk assessments. My ability to work in teams. I would welcome the chance to discuss how my skills align with your team's needs.	MS Office, SAP , Oracle
