Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>Master's Degree in Occupational Safety Management, with 20 years of hands- on experience in Occupational Safety, Health, and Environment (HSE) within the oil and gas sector including drilling, development, and decommissioning projects, I bring proven leadership in fostering strong safety cultures across complex offshore and onshore operations. Skilled in risk assessment, incident investigation, emergency preparedness, and regulatory compliance, I have successfully led multidisciplinary teams through high stakes environments while ensuring zero lost time injuries. I excel in implementing behaviour based safety programs, developing emergency response plans, managing HSE contracts and budgets, and mentoring personnel to elevate safety performance. My track record spans multiple international drilling campaigns, consistently delivering cost effective, compliant, and sustainable safety solutions.</p>	HSEMS, Incident Investigation, Audit, Inspection and etc
