Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	5213
Name	Oghenetega Idu
Date of Birth	1979-02-23
Salary (in USD)	350/Per Month
Industry	Oilfield Services
Sub Industry	Fishing
Nationality	Nigeria
Primary Language	English,
Secondary Language	English,
Total Years of Experience	15

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Perform start-up, shutdown, and routine operation of main plant components and auxiliaries. Perform scheduled maintenance on rotating equipment (pumps, compressors, turbines, blowers, mixers, gearboxes, etc.). Conduct inspections to detect wear, misalignment, imbalance, and lubrication issues. Diagnose mechanical problems such as excessive vibration, overheating, unusual noise, or performance drop. Identify root causes of failures (bearing failure, misalignment, cavitation, seal failure, etc.). Use diagnostic instruments and interpret data from monitoring systems. Disassemble, repair, and reassemble rotating machinery according to OEM standards. Replace seals, bearings, couplings, impellers, shafts, and other components. Install new rotating machinery and ensure proper alignment, base preparation, and piping support. Assist in startup and commissioning activities. Maintain detailed maintenance logs and job reports. Track equipment performance and condition monitoring data. Follow all site safety procedures, including lock-out/tag-out (LOTO) and permit-to-work systems.

Gas & diesel generator operations and maintenance
Reciprocating gas compressor maintenance
Mechanical diagnostics & troubleshooting . Technical reporting & documentation
Safety compliance & hazard control
