<p>As a safety professional, I must be able to coordinate with all divisions in occupational safety and create a safe and secure work culture. I must also constantly remind all employees of the importance of occupational safety and protecting company assets from workplace accidents. The implementation of a safety culture is inseparable from ISO 45001:2018 on occupational safety. And setting an example in the proper use of PPE also provides training related to safe work practices. providing training related to safe work practices. And as a professional safety officer, I must always follow the occupational safety regulations of the country where I am stationed. Risk assessments for each job must always be updated, as must the JSA, and work permits must always be checked, especially for critical jobs.</p>	Occupational Health and Safety Expert, Fire Team Leader, Train the Trainer, H2S Train the Trainer, Fire FightingbTrain the Trainer, Flagman/Banksman Train the Trainer, OSHA 10H in Oil and Gas Extraction Safety and Health & Environmental Management
