Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Risk Management: Identify hazards, conduct Job Safety Analyses (JSAs), perform risk assessments, and develop control measures. Policy & Compliance: Develop and enforce safety policies, ensuring adherence to health and safety legislation and managing permits (e.g., hot work, confined space). Training & Awareness: Deliver safety inductions, toolbox talks, and specialized training on PPE, emergency response, and safe work practices. Site Monitoring: Conduct regular site inspections, check housekeeping, ensure proper use of PPE, and monitor high-risk activities. Incident Response: Investigate accidents and near-misses, report findings, and implement corrective actions to prevent recurrence. Emergency Preparedness: Develop and test emergency response plans, ensuring first aid, fire safety, and evacuation procedures are in place. Documentation: Maintain safety records, prepare reports, and ensure all required safety documentation is complete and updated. Environmental Protection: Focus on reducing pollution, managing waste, and promoting sustainable practices.

Team Leader, Excellent Oral & Written Communication, Report Writing, Incident Investigation, HSE Auditing
