## Additional Information

Roles and Responsibilities	Additional Skills/Certification
Over 18 years of multi-disciplinary experience in drilling, workover, completion, and well servicing engineering and supervision across both oil and gas fields, primarily in high H?S concentration environments. My expertise spans a wide range of assignments including conventional drilling, shallow drilling, HPHT drilling, extended reach drilling (ERD), re-entry operations, workover, drilling fluids & cementing, well control, upper and lower completion, well testing & DST, wireline, slickline, stimulation, and HSE. Currently serving as a Team Leader for drilling, workover, completion, and well intervention activities. I specialize in managing operations from conceptual design to wellsite execution, all the way to well delivery and final report documentation. Experienced in preparing Invitations to Tender (ITT), developing contract strategies, and defining scopes of work for drilling, workover, completion, and well servicing activities including the integration of new technologies applied across these operations.	IWCF
