Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Drilling Supervisor with over 10 years of proven field experience managing complex onshore drilling operations from spud to TD. Solid background as Wellsite Geologist and Field Supervisor, trusted to lead multi-disciplinary rig teams, coordinate directional drilling, and supervise LWD/MWD services to ensure safe and efficient well delivery. Strong track record in formation evaluation, drilling risk management, casing and coring decisions, and real-time troubleshooting to optimize well placement and minimize NPT. Fully certified with IADC WellSharp Supervisor, IOSH Managing Safely, H2S, Fire Safety, and First Aid, demonstrating deep commitment to safety leadership and regulatory compliance. Known for clear reporting, decisive problem-solving, and hands-on supervision of cementing, casing running, and well integrity operations. Ready to deliver operational excellence as Drilling Supervisor or Night Company Man across Gulf and North Africa projects, leveraging robust technical skills, HSE discipline, and a collaborative mindset to complete wells safely, on time, and within budget.
