## Additional Information

Roles and Responsibilities	Additional Skills/Certification
I have over 14 years of Oil&Gas experience with a solid background in HSE leadership, contractor coordination, audits, incident investigations, RCA, risk assessments, and high-risk operations. I've worked on large EPC and LNG projects, both onshore and offshore, supporting both company and contractor teams, leading HSE activities, guiding safe behaviors, and ensuring compliance with HSE plans and procedures. I also have experience managing HSE reporting, KPIs, toolbox talks, PTW, hazard identification, and supervising HSE staff. I have been working with Qatar Energy LNG in Doha as part of the Drillin & Completion team. In this role, I support the development and delivery of "Incident and Injury Free" programs, provide guidance on HSE policies and procedures, lead audits and risk assessments, and monitor contractor compliance. Support overall department performance improvements aligned with Qatar Energy LNG's strategic goals	I hold the required NEBOSH qualification, BOSIET, and OGUK Medical, and I'm confident working with diverse teams and stakeholders at all levels.
