## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

Good morning I am an accomplished HSE Manager with 22 years of experience and a Bachelor's degree in Industrial Chemistry Engineering, and QHSE professionnel master. My career includes extensive experience across various HSE roles within multinational Oil & Gas projects, where I have successfully minimized risks and maintained safe work environnement. I have a strong track record of implementing effective HSE strategies and fostering a safety conscious culture. I am highly interested in applying for HSE manager position at your organization, where I can further enhance my skills within a strong management system. Please review my profile for your consideration. I am available to start immediately and look forward to the opportunity to contribute to your team.
