## Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>Currently serving as Night Drilling Supervisor at GUPCO (Gulf of Suez Petroleum Company) on the Bahari-1 Jack-up Rig, I have successfully supervised multiple well operations, executed drilling programs within budget and time constraints, and effectively managed complex operational challenges including loss of circulation, stuck pipe situations, and well control incidents. My experience encompasses drilling and completing numerous deviated wells while maintaining strict adherence to HSE policies. My technical expertise includes comprehensive well planning, drilling program preparation, cost estimation, and performance optimization. I hold current IWCF Supervisor Level 4 certification and have completed specialized training in stuck pipe prevention, drill string design, and cementing operations. My background combines both operational field supervision and engineering office experience, enabling me to bridge the gap between planning and execution effectively.</p>	<ul style="list-style-type: none"><li>- IWCF Level 4 - Strong analytical and problem-solving capabilities</li><li>- Comprehensive knowledge of drilling programs, completion operations, and cost management</li><li>- Excellent communication skills with full professional proficiency in English (IELTS Band 7)</li></ul>
