----------------------------	---------------------------------

I am a Petroleum Engineering graduate with strong enthusiasm and motivation to grow professionally. I have a keen interest in field operations, data analysis, and administrative tasks. Known as a hardworking, fast learner, and adaptable individual, I am also capable of working effectively within a team. With strong analytical and logical thinking, I am able to provide effective technical solutions. During my studies, I was actively involved in both academic and non-academic activities, including student organizations and training programs. I also gained professional experience as a Drilling Intern, Mud Logger, HSE Officer, and Assistant Operator Coiled Tubing.
