Highly experienced and knowledgeable Drilling Supervisor with 12 years of experience in the oil and gas industry. Proven track record of successfully managing drilling operations and teams, ensuring safety and efficiency, and achieving project objectives. Possesses a Master of Science in Drilling & Well Engineering from Robert Gordon University in collaboration with IAP “Algerian petroleum institute” and Sonatrach Company, as well as a Mechanical Engineering degree from University of MASCARA ALGERIA, and a valid IADC Wellsharp certificate. In reality, having degrees from two separate universities which coming from two different countries—Algeria and Aberdeen—as well as speaking three distinct languages —English, French, and Arabic was advantageous that greatly influenced my employment and career. Recognized for interpersonal and leadership abilities, with a track record of delivering cost -effective and safe drilling operations. Able to thrive in various onshore environments and seeking new international opportunities even those in workover & offshore environments. Ready to embark on a new venture and bring value to your team.
