Dear Hiring Manager, I hope this message finds you well. I am writing to express my interest in the Instrument Commissioning Technician / Field Operator position within your esteemed organization. With more than 16 years of professional experience in instrument commissioning, calibration, troubleshooting, and field operations, I have developed a solid technical background supported by a strong commitment to HSE standards and safe work practices. Throughout my career, I have worked across all project stages, including pre-commissioning, commissioning, start-up, and daily plant operations, ensuring system reliability, operational readiness, and safe execution of all activities. I consistently apply Permit to Work systems, LOTO procedures, and risk assessments to maintain a zero-incident work environment. I am confident that my technical skills, safety-focused mindset, and ability to perform effectively in demanding field conditions will allow me to contribute positively to your team and support your operational objectives. Please find my CV attached for your review. I would greatly appreciate the opportunity to discuss how my background aligns with your needs. Thank you for your time and consideration.
