I am writing to express my interest in a Civil Engineer position within your esteemed organization. I hold a Bachelor's degree in Civil Engineering from the German University in Cairo and have 8 years of experience in the construction sector in Kuwait, working across a wide range of civil engineering projects. My career began with the construction of buildings, private villas, and chalets. I later expanded my expertise to include bridges and culverts, special storm water manholes, and precast concrete structures. I have also led the construction of sand washing plants, precast factories, mechanical workshops, and quay walls. I am PMP-certified and hold a Contracts Management Certificate, a Formwork Systems Certificate from L&T; EduTech through Coursera, as well as an AutoCAD certificate from AutoDesk. My credentials are fully recognized by the Kuwait Society of Engineers, and I possess a valid Kuwaiti driving license. I am eager to contribute my skills and experience to your organization and would welcome the opportunity to discuss how I can support your ongoing and future projects.
