Dear manager I am writing to express my interest in the field Operator position. With a diploma in Mechanical Engineering and more than 15 years of experience as both a Field Operator and Control Room Operator in utilities such steam turbines MSF desalination, boilers, steam and motor air compressor in a large LNG company, I bring strong technical expertise and operational knowledge. Throughout my career, I have developed excellent skills in monitoring, troubleshooting, and supervising utility and process operations. My background allows me to adapt quickly, ensure safety standards, and contribute effectively to operational excellence. I am motivated to join your team where I can apply my expertise, support continuous improvement, and add value to your operations. I look forward to your response. Sincerely, Khaled	Process and operations. Mechanical engineering
