| <p>Senior onshore and offshore drilling Workover and completion Supervisor with strong and attractive experience with HSE compliance as working aboard. Currently I'm working with aramco since 4 years as day offshore drilling supervisor and I got very good experience. I have worked in different fields (development exploration oil and gas). Different BOP's and shallow gas. Drilling with mud cap. As working in offshore so Logistics especially in winter season is considered as a big change ; but fortunately during this last 4 years I could manage the diffent operations without any delay.
