## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Health and Safety Management System Coordinator HOCOL - Feb 2022 - Nov 2025 Responsible for planning, building, documenting and implementing the company's Occupational Health and Safety and Health Management System, aligned with oil and gas operations, including contractors, in order to achieve an operation free of incidents and injuries.

HSE Professional - Offshore Projects | WSP Sep 2020 - Jan 2022 Responsible for planning, building and documenting the strategy and implementation of the HSE requirements for offshore drilling projects and construction of underwater gas pipelines during the planning and execution phases in the Colombian Caribbean.

HSE Professional for Drilling | WSP - Sep 2019 - May 2020 Responsible for HSE compliance management in onshore drilling and exploratory operations.

Senior HSEQ Leader | Frontera Energy Jul 2013 - Oct 2018 Responsible for leading HSEQ compliance in oil and gas fields, to achieve the established objectives without affecting HSEQ performance despite budgets tightened by low crude oil prices.

HSEQ Coordinator | Pacific Rubiales Energy May 2008 - Jun 2013 Responsible for the HSEQ management of the Rubiales field from its construction to its consolidation as the most important producing field in Colombia (214,000 BPD) with a complex management due to the simultaneous operations of drilling, construction and production, infrastructure valued at more than USD \$5,000M and a workforce of 15,000+ workers.

Safety Officer – Egypt / Libya | Saipem - Oct 2006 - Apr 2008 Responsible for the management of HSE compliance on offshore drilling platforms (semi-submersible) in the Mediterranean Sea, applying prevention strategies considering the cultural diversity of workers and the special operating conditions at sea.

HES Offshore Specialist | Chevron - Jul 2005 - Sep 2006 Responsible for the HSE management in the GACE (Gas Association Contract Extension) project; in the loading, transport and unloading of equipment and materials from the port of Santa Marta to the offshore platforms and in charge of HS activities of the onshore base.

HSE Supervisor | Pride International - Jul 2002 - Jun 2005 Responsible for HSE management in drilling and workover operations, including mobilization, rig-up and rig-down activities.

**Distinctive Strengths:**  
 Mastery of high-impact safety tools (JSAs, H2S/CO2) and BBS.  
 Proven track record in cultural transformation and active engagement.  
 Expert in crisis management, assertive decision-making, and driving results via strategic KPIs.
