----------------------------	---------------------------------

I have two years of work experience at PT. Wimaya Energy as a Sonologist, Dynagraph & EMR Engineer and concurrently as HSE Supervisor working for Pertamina Zone 4, specifically in the Limau Field area. Then three years at Moto Energy Indonesia site MAM -Papua as Operation Head and three years at PT. Elnusa Petrofin as Operational & HSE Staff and most recently as Fuel Supervisor for Mining and Palm Oil Companies. I have been assigned to BUMA (South Kalimantan), Korindo Abadi (Papua), Bayan Resources, and Perkasa Inaka Kerta (East Kalimantan). While I was still in college, I had an internship experience at PT. Medco Energi, Jakarta, where I learned how to select the most representative residual gas reserves from several residual gas reserves based on three average pressure factors and seven gas compressibility factors. I also gained experience at PT. Pertamina Drilling Services Indonesia (PDSI), West Java, as a working student and was actively involved in academic and non-academic programmes, such as Laboratory Assistant, Competitions, various Student Organisations, and Volunteer Programmes, which enhanced my personality in teamwork, management, development, etc. I am familiar with Petroleum Engineering software and Microsoft Office.
