Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	6075
Name	Trupal Dhodiya
Date of Birth	2003-04-17
Salary (in USD)	2000/Per Month
Industry	Trades & Technicians
Sub Industry	Mining
Nationality	India
Primary Language	Hindi,
Secondary Language	English,
Total Years of Experience	05

Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

installing, operating, maintaining, and repairing mechanical equipment used in exploration, production, refining, and transportation processes. Key equipment includes pumps, compressors, turbines, valves, heat exchangers, pressure vessels, and rotating machinery. Their role involves performing routine inspections, preventive maintenance, and troubleshooting to ensure equipment operates safely and efficiently. Mechanical technicians read and interpret technical drawings, manuals, and work instructions, and they use precision tools to align, assemble, and dismantle machinery. They also assist in equipment overhauls, shutdowns, and turnarounds. Safety is a critical responsibility. Technicians must strictly follow health, safety, and environmental (HSE) procedures, conduct risk assessments, and ensure compliance with industry standards and regulations. They report faults, document maintenance activities, and communicate effectively with engineers and supervisors. Additionally, mechanical technicians support commissioning and testing of new equipment, identify wear or failure risks, and recommend corrective actions to minimize downtime. By ensuring reliability and operational integrity of mechanical systems, they play a vital role in maintaining production efficiency, asset longevity, and overall plant safety in the oil and gas sector.

Hard working easy learning

Education Summary

Course	University	Passing Year	Country
Diploma in mechanical	Gujarat technological University	2021	India

Career Summary

Position	Employer	Country	From	To
Mechanical technician	OQNATURAL GAS LIQUID PLANT (NGL) FAHUD	Oman	10/2025	11/2025
Mechanical technician	Reliance Industries Ltd., Hazira, India	India	10/2022	01/2025
Mechanical technician	Oil&Natural Gas Corporation	India	05/2021	03/2022
