I am writing to express my keen interest in the HSE Officer role, as advertised. With a comprehensive background in Health, Safety, and Environment (HSE) spanning over more than 8 years, coupled with a robust educational foundation and an array of relevant certifications, I am confident in my ability to contribute effectively to your team. Education: B-Tech in Mechanical Engineering NEBOSH IGC 1, 2, 3 IWCF Level 3 Certifications: Well Operations Crew Resources Management (WOCRM) BOSIET (Opito) H2S (Opito) Advanced Fire Fighting Life Saving Rules (LSR) Rigging And Slinging Course Behavior Based Safety Banksman Course Work At Height Course Experience: Commissioned 2 Land Rigs in Kuwait and Currently working in Kuwait. Both Experienced in Onshore and Offshore Drilling Rigs. Worked On 2000 HP & 3000 HP Rigs. Experience in Conventional & Amphion Rigs. In my previous roles, I have successfully applied my expertise in safety protocols and risk assessments, ensuring compliance with industry standards and regulations. I have developed and implemented comprehensive training programs, conducted thorough incident investigations, and fostered a culture of safety within diverse teams. Skills: My proficiency in MS Outlook, Excel, and Word, coupled with my adeptness in incident investigation and training program development, enables me to effectively address the multifaceted challenges of the HSE domain. Additionally, my strong interpersonal skills have facilitated successful team building initiatives, enhancing overall safety performance. I am passionate about the opportunity to further discuss how my qualifications align with the requirements of the HSE Advisor role. Please find my attached resume for your review. Should you require any additional information or wish to schedule an interview, please do not hesitate to contact me. Thank you for considering my application. I am eager to contribute to the continued success of your team and look forward to the possibility of joining
