Field Operator Dear Hiring Manager, I am writing to apply for the position of Field Operator. I have hands-on experience working in a Gulf power plant in Iraq, where I was responsible for operating, monitoring, and maintaining power plant equipment to ensure safe and continuous plant operations. I have strong practical knowledge of gas/steam turbines, generators, pumps, compressors, valves, boilers, and auxiliary systems. During my work in Iraq, I regularly performed field inspections, equipment start-up and shutdown, routine maintenance checks, troubleshooting, and coordination with the control room. I strictly followed HSE rules and safety procedures to maintain a safe working environment. I am experienced in: Monitoring plant parameters and reporting abnormalities Equipment operation and basic maintenance Lockout/Tagout (LOTO) procedures Emergency response and shutdown procedures Teamwork with engineers, supervisors, and operators I am hardworking, safety-focused, and able to work under pressure in shift duties. I am confident that my Gulf power plant experience and technical skills make me a strong candidate for this role. I would welcome the opportunity to discuss how my experience can benefit your organization. Thank you for your time and consideration. Sincerely, Hannan Mubashar Field Operator ?
