Additional Information

Roles and Responsibilities	Additional Skills/Certification
I'm well qualified Superintendent / Senior Drilling, Workover, Completion & Well Intervention Rig Supervisor / Senior Drilling Engineer with over 30 years drilling, completion and workover experience in the Oil and Gas Sector working domestically and internationally across Middle East and West Africa on Land Rigs, Production Platforms, Jack?up Rigs, and DP Drill ships. Experience of Exploration Wells, High Temperature / High Pressure Wells, Deep-water Wells, Water Injection, Extended Rich Drilling Wells (ERD), Directional / Horizontal Wells, Multi-Laterals Wells, Sidetracks, Workover and Conventional Wells. My supervisor capabilities and experience over the past 30 years give me the ability to motivate others and communicate effectively at all levels of organization. My experience comes through drilling and workover HPHT Gas well, ERD, drilling deep water experience, running fishing tool, coring, etc.	My focus / target to deliver safe (strong focus on HSE compliance), efficient drilling operations while driving innovation and sustainability (proven record in reducing NPT and improving operation efficiency).
