Additional Information

Roles and Responsibilities	Additional Skills/Certification
I have worked over 11 years for major Oil and Gas operator companies. My work endeavors have been associated with all aspects of Drilling activities mainly as Drilling Supervisor and Drilling Engineer. These assignments have included essentially all types of wells and drilling environments such as shallow water and land drilling operations. The wells that I have worked for are including underground gas storage wells, salt drilling, wildcat exploration wells, development wells, directional wells, re-entry wells, deep target wells with complex casing designs, HPHT wells, offshore wells WD up to 100 m and TD up to 4844 m. Worked with 1500-2000 HP land rigs and 350-450 ft jack up rigs with 15K BOP stack. My technical and operational expertise and wide business experience can contribute to effective implementation of any drilling and well evaluation project.	IWCF - Surface Level -4 Certificate
