Personal Information

Candidate id	6486
Name	Orkhan Abbasov
Date of Birth	1991-07-09
Salary (in USD)	7000/Per Month
Industry	Drilling / Rig
Sub Industry	
Nationality	Azerbaijan
Primary Language	English,
Secondary Language	
Total Years of Experience	12

Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Results-driven Lead Drilling Engineer with over 12 years of comprehensive experience in the design, planning, and execution of onshore and offshore drilling operations. Possesses more than 3 years of proven experience in senior and leadership roles, successfully managing complex drilling projects and leading multidisciplinary teams across diverse operational environments. Has a strong track record of planning and delivering over 45 wells worldwide, including high-pressure, directional, and technically challenging well profiles, while consistently meeting safety, quality, schedule, and cost objectives. Demonstrates deep technical expertise in drilling engineering, well construction, and operational optimization, with a strong focus on improving drilling performance, reducing non-productive time, and achieving effective cost control. Highly experienced in implementing and maintaining strict HSE standards, ensuring full compliance with company policies, industry regulations, and international best practices. Known for a proactive approach to risk management, well integrity assurance, and the application of advanced drilling technologies to enhance operational efficiency and safety. Recognized for strong leadership, communication, and coordination skills, enabling effective collaboration with drilling contractors, service companies, subsurface teams, and project stakeholders. Adept at strategic planning, decision-making, and problem-solving in high-pressure environments, particularly in offshore operations. Seeking to leverage extensive offshore experience, technical expertise, and leadership capabilities in strategic project planning, performance optimization, and senior drilling engineering roles, contributing to safe, efficient, and cost-effective well delivery.

IADC WellSharp
Drilling operations,
Supervisor level

Education Summary

Course	University	Passing Year	Country
Petroleum Engineering	Azerbaijan State Oil Academy	2009	Azerbaijan

Career Summary

Position	Employer	Country	From	To
Lead Drilling Engineer	Socar AQS	Azerbaijan	08/2025	
Drilling engineer	Socar AQS	Azerbaijan	07/2024	08/2025
Drilling engineer	Socar AQS	Turkey	02/2024	07/2024
