-----------------------------------	--

I am an experienced Able-Bodied Seafarer with over a decade of hands-on service in the deck department, having progressed through the ranks of OS, Deckhand, Able Seaman, and Quartermaster. My career at sea has equipped me with strong practical seamanship skills, excellent watchkeeping ability, and a deep understanding of safe shipboard operations. I am highly competent in mooring and unmooring operations, lookout duties, bridge watchkeeping, cargo and deck maintenance, and the operation of deck equipment like cranes and machinery. I take pride in maintaining high standards of safety, cleanliness, and discipline on board, while working effectively as part of a team in demanding marine environments. Certified in STCW safety and emergency response training, including survival craft, advanced fire fighting, medical first aid, security awareness, and crowd management, I am reliable during routine operations and calm under pressure during emergencies. I am safety-minded, physically fit, and adaptable, with a strong work ethic and respect for command structure. As an Able-Bodied Seafarer, my objective is to contribute positively to vessel operations by supporting officers, maintaining the ship to a high standard, and ensuring safe and efficient deck operations at all times.
