Unnikrishnan Suseelan ukrishnan23@gmail.com | +91-9746416612 Dear Hiring Manager, I am writing to express my interest in the Assistant Driller position, as advertised. With solid hands-on experience in drilling operations and specific expertise in operating Amphion control systems, I am confident in my ability to contribute effectively to your offshore team. Over the past 16 years, I have progressed through various drilling roles—from Floorhand to my current role as Assistant Driller. I am highly proficient in using Amphion systems to monitor and safely control drilling parameters. My responsibilities have included supervising drill crew activities, conducting pre-job safety meetings, and ensuring full compliance with rig procedures and safety standards. In addition, I hold the following valid certifications: - IWCF Level 3 - BOSIET - H2S Awareness - Stuck Pipe Prevention - Authorised Gas Tester What sets me apart is my ability to lead under pressure, troubleshoot equipment efficiently, and maintain clear communication with rig personnel to ensure safe and continuous operations. I take great pride in fostering a strong safety culture and mentoring junior crew members to develop a competent and reliable team. I would welcome the opportunity to join your organization and contribute to its reputation for operational excellence. Thank you for considering my application. I look forward to the opportunity to discuss how I can support your drilling team. Sincerely, Unnikrishnan Suseelan

experience in conventional, cyber and amphion system, valid iwcf, stuck pipe prevention, bosiet, h2s
